The under 15 section was the clubs best age group with success, the u13 quad events saw Leah Beechey win with Millie Calkin taking second place which is the best the club has had in this event.

Newbury Junior Aquathlon

This a new event for the club, and we are looking for a lot of members helping out and seeing a lot of the juniors taking part, this is an ideal opportunity for anyone aged 8 upto 16 to have a go, it is

being held at Northcroft Park, please see information on the clubs website, helpers are needed and Gavin McCloughlin is the lead person for this event

Quadkids

Team Kennet are organising 3 events this year, the first was at the Clere School on 25th May, which saw 200 youngsters battle it out in the four Events, the next one is at Park house School on June 19th starting at 10am, I am looking for volunteers from 11+ to help out including adults please, this is a good recruitment event for the club, please see nick if you can help please

Thorpe Park Trip

September 18th Jenny and Nick have organised this trip for any club members who would like to have a day out at a cost of £25pp, if you are interested please text this number with your name and how many places you need to 07785 560120, there are 25 places now left from 63

Club Helpers

We are still looking for new helpers in the club, we had one person join the team 2 months ago, but we still need more, we are a growing club and would like to bring more youngsters into the club, if you can help out please speak to Nick or Averil on any club night

Club Officials

If you are interested in becoming an official we will be trying to organise a course in October time, we are going to have major problems next year if we don't have officials at league matches, if we don't supply officials then we can't take part in matches. So if you come along and watch your child(s) then maybe think about helping the club out, it's the same persons that do this all the time, if we have lots of officials it means you may only get to do one event in the day, but also gives the club a good profile that it can compete with the best and officiate too.
